Beer!
Thanks.
Why do you drink beer with a straw?
I heard that it's easier to get drunk this way.
Really?
I'll have a straw too!
Sfz. Clerk
It's good!
Is it too spicy?
Sfz Munch munch
No, I love spicy food.
Spicy octopus tastes great.
How long have you lived here?

SFX: Pat pat

This house is like my childhood friend.
I was born here, went to university here, and got my first job here. I grew up in this seaside village.

SFX: Tada

He's living with my ex-husband, but I get to meet him once a month...

You really do get drunk faster when you drink with a straw.

I'm full. Do you want to take a walk?

Sure.

She Wasnt

She Wasnt

After the divorce, I thought I would feel better when I returned home.

But I was shocked instead...

I spent most of my time alone in my room.

Shi Min

But ten years ago, the master came to surf in Ella's town.

Shi Jhan Jhan

He learned how to surf by watching foreign tutorials.

Everybody laughed at the thought of someone surfing in Korea.

When you surf without any knowledge of the sea, you get hurt and your board gets damaged.

And what if other people got hurt as well?!

It grosses me all! Who are those guys? They're just kids freaking around.

Shi Jhan's mom

When I returned home after my divorce, Jin woo and Jaong Woo were crazy about surfing.

Shi Jhan's mom

Shiv is still thinks about her past mistakes...

The two of them shared one board and used a clothesline as a leash cord.

Shi Cloach

After surfing with them a few times, I realized,

That I was alive.

So I went to the sea whenever I could.

And once I straightened my head, I got my energy back.

My parents couldn't stand seeing me, so they moved to an apartment in the city and left me here alone.

I thought about what I should do.

So I decided to consider the future and learn the final theory of physics that could be used since I was a young lesson.

Sfx: Rustle

Always, as if I was a child.

Sfx: Meow

Can I ask why you came here?

Me? I... came to clear my mind.

Sfx: Purr

Is that so? When we first met, your face had "I'm in trouble" written all over it

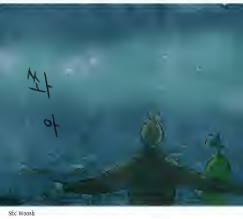
Sfx: Gets up

Really?

Yeah, that's what I felt.

I just wanted to learn how to surf... I actually didn't expect to stay here this long.

Sfx: Pat pat



Shi Woonh

The sea is great at night!
